

Early Years is scheduled for November 18-19, 2008!

This is a bi-annual conference, held in Boise to provide professional development opportunities that will rival and/or exceed national conference standards for quality presentations and workshops. Among the 400+ attendees seeking the workshops will be early childhood educators, healthcare professionals, social service providers, caregivers, early mental health practitioners, and early childhood advocates.

Opportunities are available for vendors to display their products at a rate of \$500/table, non-profit organizations will receive a 50% discount. As a vendor, you may give away, sell and/or demonstrate, with approval. We encourage demonstration and/or hands on activities. The location for vendors is central exposure with ample time for the attendees to circulate during the conference. Space will be assigned on a first-come, first-serve basis and we expect them to go quickly.

If you would like to become a supporter of Early Years 2008, sponsorships are available. As a conference sponsor, your organization will be listed on the conference materials, signage and web site for a contribution of \$1,000.00 or more. As a conference supporter, you will be recognized with signage and on our web site for a contribution of \$100.00 or more. This is an excellent opportunity to highlight your business or agency!

We look forward to working with you. For more information, please visit www.idahochild.org or contact Sally Blackwell at 208-334-5514 or Sheila Weaver at 208-334-6955.

Thank you,

Idaho Early Years Conference Planning Team
